# MALDIVES 2026

## Shark March Madness

Join **Mujavaz Scuba and Travels (MSAT)** as we host a liveaboard trip in the Maldives **March 14 – 26, 2026** on the luxury yacht, Carpe Diem. This 12-night scuba diving cruise starts in the southern atolls and cruises north to the capital, Male', with an emphasis on shark species including, but not limited to, grey reef, hammerheads, nurses, silky, silver tips, spinners, threshers, tigers, and zebras as well as oceanic mantas and whale sharks. We will also spend time with the small stuff (fish, octopus, nudibranchs, etc.) and dive on a WWII wreck, the HMS British Loyalty. A domestic flight will be required with price TBD (likely less than \$300 USD per person).
